PATRICIA D. GALLION, ASSISTANT PRINCIPAL

January 29, 2012

Dear Parents,

I hope this letter finds you well as together we look forward to the new school year. Please find attached the information regarding registration and tuition for the 2012-2013 school year.

I am pleased to report that for the 2012-2013 school year there will be no tuition increase for the second consecutive year. This means that tuition for this upcoming school year will be the same as it was for the 2010-2011 school year.

No 2012-2013 Tuition Increase

The 0% tuition increase is driven primarily by three factors. Through the strong emphasis on cost control by our faculty and staff, we have continued to employ a conservative use of state funds and school budget. In addition, we are projecting an increase in enrollment for the next school year. Finally, the charitable support from the parish, and organizations and families within the GA community continue to provide us generous support in meeting our budget.

Discounts

The multiple student discount program continues to be in effect for active parishioners. Discounts are offered beginning with the 2nd child, and discount amounts are increased for families with 3, 4 and 5 children.
