  Donate goods / staff event
- ☐ Football SATURDAY
  Field Preparation (Lines/Painting)
- ☐ Football SUNDAY
  Clean-up (After final game of the day)

PARENT and PLAYER Responsibilities - Please see GA Boosters Handbook for complete discussion

1. Be committed to your GA team. If player is on an A or B (competitive) team, we require the GA team to be his/her top athletic priority. If you are unable to make this commitment, please request to be placed on a noncompetitive team at sign-up. A player who does not adhere to their commitment to a competitive team will jeopardize their selection to a future GA competitive team.
2. Exhibit good sportsmanship before, during and after practices and games.
3. Submit sign-up forms, athletic fee and CYO release forms on time. The establishment of teams, selection of coaches and entrance into a league all hinge on the timely receipt of forms and fees.
4. Keep uniforms and equipment clean and in good condition. Return uniforms and equipment on time. Any damage should be reported and noted upon return. Players may be charged to replace lost equipment.
5. Be on time when bringing players to and from practices and games.
6. Inform the coach if the player will not be present for a practice or game.
7. Alert coach of any special problem or need that the player may have before the first practice.
8. Parents please support the team and coach by attending games and volunteering when needed.
9. Parents please complete and submit online coaches' evaluation forms at the end of the season.
